

# THE FURTHER ADVENTURES OF THE GOLDEN GOOSE!

## COMPETITION FOR SCHOOLS & GROUPS

2026 marks a very special year for Farms for City Children – our 50th Anniversary!

As you've visited us in our golden anniversary year, we would love you to get involved in the celebrations by entering our competition, **The Further Adventures of the Golden Goose!**

### How to enter

During your visit, we will give you your very own Golden Goose to take home with you - like the geese in our Quentin Blake illustrated logo. Each goose is different - and needs a name!

Once you are back at school or in your group setting, take a photo or short video that shows something you are doing that has been inspired by your visit to the farm. This could be growing, cooking, learning outdoors or something completely different - you choose!

**Make sure you include your Golden Goose in the photo or video!**

Email your photo or video to [news@farmsforcitychildren.org](mailto:news@farmsforcitychildren.org) with the name of your school / group and a short caption that tells us what it is about. You can email any questions to that address too.

You don't have to include young people in your photo / video, but if you do, please also confirm that you give permission for us to feature the photo on our website and social media channels.

FOR  
CITY CHILDREN**

# Winning entries and prizes

Prizes are **10 x £100 Thomson & Morgan vouchers** aimed at helping our winners continue their growing journeys. You can use them to buy seeds, plants or equipment for indoors or outdoors!

At the end of the year, our panel of judges will review all the entries. Nine vouchers will be awarded to the schools or groups whose photos showed that they had really brought learning from the farm back into school.

The tenth voucher will be awarded to the school or group who showed the most creativity with their entry!

## Share on your socials!

We want to celebrate your farm-inspired activities throughout the year and will be sharing them on our social media and website. We'd love you to do the same!

If you post your photos and videos of your Golden Goose's adventure on your Facebook or Instagram, tag us:

**@farmsforcitychildren #FFCCGoldenGoose**  
so everyone can see what our gaggle of geese are getting up to!

Thank you to **Computershare UK** for generously supporting this competition.

### Terms & Conditions

- One entry per school or community group who has visited Farms for City Children during 2026. You may include more than one photo or video in your entry.
- By submitting your entry, you are also giving Farms for City Children permission to share your photos / videos on their website / social media channels.
- Competition close on 15 Jan 2027. Entries received after this date will not be considered.
- Winners will be notified by email by 30 Jan 2027 and prizes awarded as described.
